International: \$6,400.00 per year \*

\* - Fees subject to change without prior notice in line with government fee structure.

## PC2448- Diploma of Chinese Herbal Medicine - Level 7

### About the Programme

The Diploma of Chinese Herbal Medicine (CHM) engages students in an in-depth exploration of the clinical usage of approximately 200 of the most useful Chinese herbal formulas. This diploma is for students who wish to become Chinese herbal medicine practitioners.

### Course Content

This three-year programme of study comprises TCM medical science, Western biosciences and Chinese herbal medicine specific studies.

### Study Concurrently

The Diploma of Tuina is running concurrently with the Bachelor of Health Science, that is you can study full time in Bachelor's programme.

Most of the courses in the Diploma programme are the same as the Bachelor degree. Therefore, the courses are recognised as cross credits.

What does it mean for you?

You get two qualifications with the duration of four years of the Bachelor's programme.

The Diploma is adding to your main stream of Health Science with emphasis on Chinese Massage giving the extra skill required for your practise.

### Career Opportunities

Graduates of our CHM diploma combine it with their BHS Acupuncture and or Tuina qualifications and trend toward establishing private practices of their own, join or establish multidisciplinary traditional Chinese medicine private practices.
